About **US**

INVIOT AV Solutions is a fast-scaling, value-driven system integrator transforming how organizations connect, collaborate, and communicate. Established in 2019, we have grown into a trusted partner for Fortune 500 companies, global enterprises, and leading Indian businesses. With deep expertise in audio-visual and IT infrastructure design, engineering, and integration, we deliver high-performance solutions backed by innovative technology, precise project execution, and reliable long-term support.

Headquartered in India, and backed by a strong group of companies with its global headquarters in the UAE, INVIOT stands as one of the most trusted system integrators, consistently setting new benchmarks in building intelligent, future-ready workplaces

WHO WE ARE

ESTABLISHED

Established since 1997, a trusted and tested organization

PRESENCE

Across India & Middle East

REFERENCES

Over 4000 projects have been completed successfully

ACCREDITATION

ISO 9001:2015 quality certified
CTS Certified design engineers
Highly qualified deployment experts

GLOBAL PARTNERSHIPS

With best-in-class OEMS in AV & IT portfolio

MEMBERSHIPS

Active member of "AVIXA"

VISION

To be the leading design and build AV integrator, transforming how people connect, collaborate, and experience technology across India and the Middle East. Our goal is to set global benchmarks and drive innovative solutions that redefine the AV landscape.

MISSION

To deliver value-added AV integration solutions that seamlessly connect technology with people, enabling enriched experiences. We are committed to innovation, precision, and customer-centric execution, supported by the strength and expertise of the Aesthetix Group.

VALUES

Innovation:

Continuously advancing and pushing the boundaries of technology.

Precision:

Delivering high-quality, reliable, and seamless solutions.

Integrity:

Upholding transparency, honesty, and ethical standards in all our actions.

OUR APPROACH

PLANNING

- > Requirement analysis
- > Priority identification
- > Solution demonstration & POC
- > Customer review

ENGINEERING

- > Detailed engineering
- > Final design
- > Specifications & drawings
- > Costing & BoM

EXECUTION

- > Project management
- > Procurement & supply
- > Installation services
- > Testing & commissioning

SUPPORT

- > AMC
- > Support services
- > Managed services
- > RMA services

SECTORS WE HANDLE

ENTERPRISES

(IT, ITES, Pharma, BFSI) – Transforming conference rooms, boardrooms, and town halls into intelligent collaboration hubs that turn communication into a strategic advantage.

OIL & GAS

Enhancing safety, operations, and decision-making through advanced AV solutions.

RETAIL

Creating seamless, immersive customer experiences that boost engagement and sales.

EDUCATION

Enabling smarter, more engaging learning with digital classrooms and virtual labs.

HEALTHCARE

Connecting teams with AV systems that improve communication and patient care.

HOSPITALITY

Designing intelligent AV experiences that make every space welcoming and efficient.

SMART CITIES

Empowering cities with connected technologies for sustainability and responsiveness.

WHY **INVIOT**?

At INVIOT, we deliver advanced AV solutions that empower businesses with seamless communication, enhanced productivity, and lasting value. Here's why companies choose us:

An infographic on the left side of the slide. It consists of a vertical stack of five pink rectangular boxes, each containing one of the key benefits. To the right of these boxes, five circular icons are arranged in a curved path, each connected to its corresponding benefit box by a pink line. The icons represent: a person with a gear (Expertise), a gear with a plus sign (Customization), a shield with a checkmark (Reliability), a hand holding a coin (Cost-Effective), and two hands shaking (Support).

SUPPORT

EXPERTISE

Skilled team certified with CTS, AVIXA, and global AV deployment standards, ensuring professional and reliable AV integration.

CUSTOMIZATION

Highly sophisticated, tailor-made solutions through our design-and-build approach, aligning perfectly with your business needs.

RELIABILITY

Secure AV systems built to global security standards, optimized for minimal downtime, and engineered for consistent performance.

COST-EFFECTIVE

Value-driven engineering solutions that maximize ROI, delivering optimized investments without compromising quality.

SUPPORT

Dedicated, SLA-oriented support team providing prompt ticket resolution, comprehensive AMC options, and event support for townhalls and other live sessions
